FRIENDS of the Institute for Astronomy

Join the Friends of the Institute for Astronomy and explore our exciting Universe with IfA scientists who conduct research into galaxies, cosmology, stars, planets, and the Sun. As a Friend of the IfA you will have the opportunity to meet the astronomers who observe on the world's premier telescopes on Mauna Kea and Haleakalā, to attend lectures, and to tour the facilities at the world's top astronomical center.

There are many opportunities to support the IfA's education, research, and outreach goals, including sponsoring student or post-doctoral fellows, providing gifts of laboratory or computer equipment, and even endowing a named faculty position or research group within the IfA. Gifts and bequests to benefit the Institute for Astronomy are an important means of enhancing educational and research programs and are tax deductible. They may be made in the form of securities or through estate gifts. To make large gifts to the Friends of the Institute for Astronomy please contact David Mortensen at the UH Foundation by calling (808) 956-7838 or e-mail david.mortensen@uhf.hawaii.edu

Free E-mail Notices

If you provide your e-mail address we will send you invitations to our quarterly Frontiers of Astronomy lectures, the annual IfA Open House, and other public IfA lectures and events (star parties, astronomy workshops, and more).

Benefits of Annual Memberships

Individual \$50 (tax deductible)

Seniors/Student \$25 (tax deductible)

A senior is 65 or older. A student has a current student ID card and carries more than a 50% course load.

- Invitations to special Friends-only events such as pre-lecture receptions, laboratory tours, private lectures, and the annual Open House hospitality suite, and free e-mail notices.
- Monthly star charts for Hawai'i
- Subscription to the IfA quarterly newsletter, *Nā Kilo Hōkū*
- An option to be on the e-mail list for IfA colloquia

Family \$100 (tax deductible)

Annual membership benefits for the entire family to enjoy.

Contributor \$250 (tax deductible)

The above plus:

- IfA library privileges
- Astronomer-guided tours of IfA facilities on O'ahu, Maui, and Big Island. (Travel expenses are the responsibility of the members.)

Associate \$500 (tax deductible portion \$480)

The above plus:

- An autographed copy of Professor Gareth Wynn-Williams' popular astronomy book, *The Fullness of Space*
- Invitations for two to special events (annual Christmas party, graduate student recruitment events, and other social events)
- One individual membership to give as a gift

Sponsor \$1000 (tax deductible portion \$962)

The above plus:

- Lifetime membership at the individual level
- Invitation to lunch with the director of the Institute
- Astronomer-guided tour of observatories on Mauna Kea or Haleakalā followed by an evening observing session

Patron \$1500 or more (tax deductible portion \$1462)

The above plus:

- Permanent recognition of your gift on a plaque at the IfA
- UH Foundation President's Club membership

Some benefits at each level may change due to availability.
