MATERIAL SAFETY DATA SHEET

Remi Corporation
5795 Washington Street
Naples, Florida 34109

IDENTIFICATION
Product Name: RE-LI-ON CUTTING AND TAPPING FLUID
Chemical Name: Hydrocarbon Mixture
Manufacturer Phone Number 800-421-3024

COMPOSITIONAL INFORMATION
Ingredients
Severely Hydro treated Naphthenic Distillate
Chlorinated Paraffin*
Chlorinated Fatty Acid*
*Contains corrosion and stain inhibitor

Exposure Limit
5 mg/cubic meter (OSHA PEL 8 hour work day)

First Aid Procedures
Eye Contact: Flush with water 15 minutes, Obtain medical assistance if irritation persists.
Skin Contact: Remove by wiping, Wash thoroughly with soap and water.
Inhalation: Decomposition and/or vaporization will not occur at ambient temperature. If inhalation does occur remove personnel from contaminated air to fresh air. Obtain medical attention if there are signs of breathing difficulties. Excessive exposure at elevated temperatures may cause irritation to eyes, nose, mucous membranes and the respiratory system.
Ingestion: This product has a low order of acute toxicity. Pulmonary aspiration hazard if swallowed and vomiting occurs.

PHYSICAL DATA
Flash Point (PMCC), over 310 degrees Fahrenheit
Density (20 degrees C), 7.7 pounds per gallon
Vapor Pressure (60 degrees F), Less than Ether

ROUTE OF EXPOSURE AND EFFECT
Eye Contact: Short term exposure should cause no irritation. Excessive exposure may cause moderate irritation.
Skin Contact: No significant adverse health affects are expected to occur from short term exposure. Prolonged or repeated exposure may result in moderate skin irritation.
Inhalation: Decomposition and/or vaporization will not occur at ambient temperature. If inhalation does occur remove personnel from contaminated air to fresh air. Obtain medical attention if there are signs of breathing difficulties. Excessive exposure at elevated temperatures may cause irritation to eyes, nose, mucous membranes and the respiratory system.
Ingestion: This product has a low order of acute toxicity. Pulmonary aspiration hazard if swallowed and vomiting occurs.

REACTIVITY
Reaction with water: non reactive
Hazardous Polymerization: non reactive
Stability: stable
Incompatible Materials: strong oxidizing and reducing agents.
Hazardous Decomposition Products: Carbon dioxide, carbon monoxide, hydrogen chloride and oxide of sulphur.

PROTECTION INFORMATION
Respiratory: Use with adequate ventilation. Ventilate as need to comply with exposure limit. In event of vapor concentration exceeding the time weighted exposure limit use of NIOSH approved cartridge respirator.
Skin: Impervious gloves are optional.
Eyes: Splash proof chemical goggles or face shield are optional.

SPILL OR LEAK PROCEDURES
 Prevent ignition, stop leak, ventilate area, contain spill by diking or impounding. Add sand, earth or other suitable absorbent to spill area. Keep product out of sewers and waterways. Wear respiratory protection for large spill, leak or release. Dispose of according to local, state and federal regulations.

FIRST AID PROCEDURES
Eye Contact: Flush with water 15 minutes, Obtain medical assistance if irritation persists.
Skin Contact: Remove by wiping, Wash thoroughly with soap and water.
Inhalation: Decomposition and/or vaporization will not occur at ambient temperature. If inhalation does occur remove personnel from contaminated air to fresh air. Obtain medical attention if there are signs of breathing difficulties.
Ingestion: Do not induce vomiting. Do not give liquids. Obtain medical assistance. Small amounts entering mouth should be rinsed out until no taste remains.

FIREFIGHTING PROCEDURES AND EXTINGUISHING MEDIA
Use foam, water spray (fog) dry chemical carbon dioxide or vaporizing liquid for this type of product depending on size or potential size of fire and circumstances related to the situation. Plan fire protection and response strategy through consultation with local fire protection authorities or appropriate specialists. Wear self contained breathing apparatus to protect against decomposition products.

The information and recommendations contained herein are, to the best of Remi Corporation’s knowledge and belief accurate and reliable as of the date issued.
